Natural Resources, Mining, Cross-Border Transactions, Corporate Finance, International Transactions, Mergers & Acquisitions, Energy Industry, and Oil & Gas Industry

EDUCATION

University of Denver Sturm College of Law,
J.D., *Order of St. Ives*, 1994
Duke University, B.A., 1988

ADMITTED IN

Colorado

Joel Benson focuses on domestic and international debt financings, acquisitions and divestitures, commercial transactions, and project development, with specialized expertise working with mining and natural resources companies and private equity investors. He has been selected to *The International Who's Who of Mining Lawyers* each year since 2011 and has earned an AV Preeminent® Peer Review Rating™ from Martindale-AVVO® since 2006. In 2016, *Who's Who Legal* named Joel as one of the ten "most highly regarded individuals" in the Northern Hemisphere for mining law and as one of the 10 "thought leaders" in North America for mining law in 2017, 2018, and 2024. In addition, he has been named in *The Best Lawyers in America*® for Oil & Gas Law. In 2023 and 2025, Joel received the "Lawyer of the Year" recognition for Oil and Gas Law by Best Lawyers. Joel was selected for inclusion in Thought Leaders: USA 2023 by Who's Who Legal (WWL) for being among the highest-ranking attorneys and experts in mining law. Since 2012, he has also been an adjunct professor of mining law at the University of Denver Sturm College of Law. In 2023, Joel received a nationwide individual ranking in Chambers USA in Mining & Metals as well as "Leaders in Their Field." In 2025, Joel received a Global Tier 2 ranking with the Mining Group in *Chambers USA*.

Joel frequently advises private equity funds and mining company clients on their acquisitions, investments, joint ventures, project development, and other business activities. He has extensive experience with structuring and documenting complex credit arrangements and associated multi-jurisdictional collateral security arrangements involving a variety of industries in the U.S. and around the world. Joel's debt financing practice involves representing both borrowers and lenders (including banks, private equity funds, merchant banks, and other financial institutions) in international project finance, mezzanine debt, corporate credit facilities, senior secured facilities, royalty financings, streaming transactions, gold loans, senior and subordinated note offerings, and other financing arrangements.

Joel's international transactional practice has involved projects and companies in more than 25 countries, including the U.S., Australia, Bolivia, Brazil, Cameroon, Canada, Chile, China, Colombia, Ghana, Honduras, Kenya, Mexico, Peru, Portugal, Romania, Slovakia, Spain, Thailand, and

has covered numerous minerals, including gold, silver, rare earths, platinum/palladium, uranium, cobalt, nickel, iron ore, zinc, and copper, as well as other metals, industrial minerals, thermal and metallurgical coal, and oil and gas. His work with international projects has led to counseling clients with respect to the Committee on Foreign Investment in the United States (CFIUS) and the Foreign Corrupt Practices Act (FCPA).

Prior to attending law school, Joel served for three years as a legislative assistant for Congressman Tim Johnson (SD) in the U.S. House of Representatives. While there, he focused on public land, water, environmental, and energy issues as the staff person responsible for the Congressman's duties on the House Natural Resources Committee, in addition to covering a variety of other issues ranging from foreign affairs to education.
