

Joe Grant Bluechel  
CEO/Founder  
Boundree

Joe is a technology executive with 25 years of experience in data and analytics, data governance, data privacy, AI/ML, digital transformation, software development, and application integration. Joe has managed global consulting services in the US, Canada, Mexico, Brazil, United Kingdom, France, Switzerland, Serbia, Saudi Arabia and India. Currently, Joe is the Founder and CEO of Boundree, a consultancy focusing on AI and data strategy, AI and data governance, and data privacy, assisting customers with improved risk management, increased data literacy, and ethical innovation. Joe has served on many technology advisory boards and has carried many technical and operational certifications including IAPP CIPP/US designation. In his spare time, he enjoys traveling, sports, spending time outdoors, and playing golf very poorly.
